Tim -

Mary was laid off last spring and she must have wrapped up everything with HR, because HR does not have a more current address for Mary.

I did a quick search for the phone number below and it is still listed as belonging to a "Toth M K" at the address below, the phone number is no longer in service. So I did a search in all states for a "Toth M K" and came up with another phone number, but no address. The phone number is (801) 488-4664. No one answered when I called and there was no answering machine.

Each individual with a pending application that was laid off last spring was asked to keep the company informed of any new address, additionally I'm fairly certain they signed a departure agreement stating they would assist GMI with continued prosecution of any pending applications, but such a request only goes so far. I'm sure if all financials were wrapped up with the company, keeping GMI informed of address changes is no longer on their minds.

Mary was just finishing a graduate degree when she left GMI, so it's possible she relocated. Sorry I couldn't be of more assistance, let me know if I can help any further.

Annette

Annette -- the last address we have for Mary is in Maple Grove

8182 Lawndale Lane North  
 Maple Grove, MN 55311  
 763-494-0746

Good luck!

Jeanne or Mary,

Does GMI have a more current mailing address and phone number for Mary Toth, then the one provided last May? We need to locate her to sign a patent application declaration. Thank you for your assistance.

Hi Annette-

I hate to impose upon you like this, but . . .

We were unable to find a "Mary Toth" in Minnesota (or the midwest, for that matter) through an internet search. Any chance you could check with GMI HR for a "last known" phone number?

Thanks!
